#### **School News**

- In this most unusual year, we want to thank each of you for trusting us with your most precious treasure- your child. Each of us took your trust very seriously. As we grow close to the end of this school year we feel God has blessed us abundantly.
- With families help, we put in a new playground in January. Our goal was that the children moving on from CML could enjoy it for the rest of the school year.
- With servants hearts, each child gave a weekly chapel offering. This donation was given to the Houston Food Bank in November to feed 1800 families at Thanksgiving and Christmas. The chapel offerings through May were again donated to the Food Bank. On the day we donated, a patron matched and exceeded our donation of \$1000 with an additional two thousand. This allowed the contribution to grow to \$3000 which feeds 9000 families in Houston.
- As some families will be moving on to other schools, always know you have left beautiful footprints on our hearts.
